WEBSITE UPDATE

We are currently working with new member Marc Sellers at Vision Quest to further improve our website. With their help we should have new directories online and printable at your discretion. Let's go Green! This will save a lot of paper and also keep everyone current weekly with new members as they join. We are working on other new applications as well and we will let you know of all the new updates and changes.

SALES HELP

We are still looking for some part-full time experienced sales reps from Sacramento to Reno. If you know of anyone looking for this type of work please send them our way, or if you have any leads for us please let us know that too.

FREE ADS

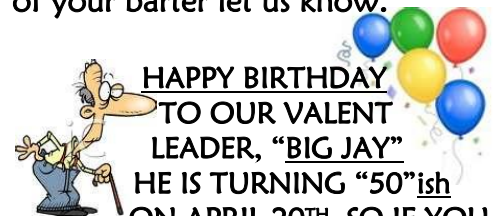

The Ad Forms are working: Yes, many members are using the new ad forms included in the newsletters to offer more merchandise, sales and wanted items. If you have any items you want to buy or sell, or if you are having any specials with your business, send the form in with your monthly payments, or fax to 530 823-7283, or e-mail Judy@thebarterclub.com and we will place it in the newsletter and on the website for free. Many members that placed adds last month sold their goodies already.
