JUNE MIXER

Yes, we had to re-schedule our Mixer due to the rain. Our new date this month is Wednesday June 16th from 6:30-9:00pm at The Mount Vernon Winery in Auburn. Robby of Broken Fork BBQ will dazzle our taste buds with Tri-tip, Chicken and his famous beans, garlic bread and salad. Adults are \$15,

Kids Eat Free. This includes beverages and dessert. We will have music, and we are trying to get a bounce house for the kids too. There will be lots of room for members to set up tables and displays. "Please bring your own tables." Call us early to reserve your space and please RSVP for your great BBQ dinner.

The winery will be offering a wine "Tasting Special" for only \$6, for up to 5 wines and tasting is free with any bottle purchase. *We really need your RSVPS to insure this event. We require at least 60 to put on this mixer. So let's make this happen "Let's get the party started" It's also a great way to network and get to know each other and new members.

We hope to see you There!

SEPTEMBER MIXER

We are co-hosting a September Early Fall Mixer. This will be on September 15, 2010 at The Beda Place in Meadow Vista formally "The Old Church Gallery" on Placer Hills Rd. This will be a great Local Business Mixer with drinks and music outside in the Gardens and a sit down dinner inside. All for under \$15. Billy Bensing will hopefully play his great music at this event. You can RSVP anytime in advance for this "Special Event".

SUMMER FUN

As things should be heating up a bit remember we have some cool barter activities that are great in the summer. Every Friday night is Fast Fridays Motorcycle Speedway Races. Get your admission, food & souvenirs on barter. Also ask Dave about advertising in the program or out around the track.

In Tahoe we have Lodging, the Tahoe Gal Boat Rides around the lake, Olympic Bike shop Rentals in Tahoe city, Lake Front Dining and more. The 49er Fun Park in Grass Valley is a great place to take the kids too. Also if you like Rollins Lake don't forget the Long Ravine Resort for camping, boating and food at the Outrigger Grill, Call us for more Summer Fun Ideas with Barter.

COSTCO ARTICLE

Check out the enclosed two page article in the June Costco Connection about Bartering Wow! The only thing they missed was our great club. What's up Costco?

FLYERS HELP PROMOTE YOUR BUSINESS!

If any of you want to place a flyer in our monthly newsletters we only charge a \$35 insert fee and we cover postage! Let us know if you are interested. Remember ads are always free providing we have the space.

Have a great June and don't forget to Hug your Dad Uncle, Grandfather or Husband,
"Its Fathers Day Month".

NEW SCRIP CARDS

Wow does the new scrip look awesome. Special Thanks to Dan Lombard of Review Printing for his suggestion and help printing our new scrip. They should start circulating this month. We suggest that members use a sharpie or pen to cross out the dollar amounts so we can see the cool pictures on the front of the scrip card and the business name and info.

SACRAMENTO NEWS & REVIEW

Hopefully our Barter Club News Story will be printed this week in the Sac News & Review. Please pick it up and give it a look. You might even be listed in the article who knows? We hope to include the article in July's mail out if you miss it.
