## REFERRALS NEEDED

Yes, we still offer members a \$50 cash and \$50 barter bonus for your new member referrals that join our club. Everyone benefits with more members and places to shop and spend on Barter. We are all on the same TEAM. "Together Everyone Achieves More"

## WEB UPDATE

Members should be able to log into our new online directory with this temporary password "██████" (this will change within the next 60 days so you can log into the online directory with your own personal password.) Now you can search with our new online directory. This is a new application, and there maybe some bugs to still work out. Let us know if you encounter any problems, or if we need to change or update any of your information on your listings. Members should receive our new printed directory in February's mail out.

We will keep you posted.

## MIXER HIGHLIGHTS

"See pictures too!"

Our Christmas mixer and party was another BIG success with approximately 120 members and guests. A SPECIAL Thanks to Robby of Broken Fork BBQ for the great food, Rick Tracewell for helping with the Christmas Tunes and music, my wife Judy and the kids for helping with the set up and clean up. There were many other volunteers who helped make this a great event. We had approximately \$14,000 in barter sales, including over \$5000 in jewelry sales thanks to Herb of Robard's and Vic Macy also sold a car at the mixer. Overall we all had a great time and we look forward to our Spring mixer at the Mt. Vernon Winery.

## Barter To The "RESCUE"

I would like to acknowledge and Thank Bryan & Becki McGinnis at Autovantage, In this economy, times are a little rough out there on all of us. And for my family, last month was at its worst, then the car breaks down. I had no choice but to use barter to somehow get the car back on the road. After calling all around, I went to Autovantage, and had the best experience with a repair shop I have ever had, Becki was able to turn my stress into gratitude. The job was done right the first time, the price was better then any other quote I had found. I was able to use mostly barter, and she held a postdated check. I was back on the road right away, it is people like Bryan and Becki McGinnis that make our community the great place that it is. Thank You Autovantage!
